The Story:

Arrived out of breath only just in time for the appointment. I needn't have worried. Valentina put me at ease immediately and that's how it stayed for the whole hour. She's a lovely lady, who agreed to do whatever I wanted. We started with DFK and then she went down on me and gave me a slow deep BJ. I didn't want to cum too soon, so went for covered sex in mish then doggie. Finally blew my load big time. She cleaned me up before we chatted. I had a big smile on my face all the way home. Will see again next month.
