The Story:

Leigh is very sociable and a pleasing girl, she owns an outstanding personality and I was pleased to find she is a party lady... also she has a great body and she craves sex. She has got the lot, personality, looks and figure. We started off on the sofa after I gave her the fee. She was quickly into everything and had my knob out in no time, she loved sucking it and did so without, she gently locked my balls and shaft and flicked her tongue against my japs eye, when she was sucking me she gently probed a finger into my arse - a true turn on! I was felling her and caressing her as much as possible, and fingering her twat when I could. We went to 69 and it was fast and furious, this was classical 'basis instinct' type sex, everything was spontaneous. After all this foreplay I was really up for it in every sense of the word, we had some wine, party and lot of fun conversation, we just connect very well.

I will see her again.
