The Premises:

A renowned establishment, reported on many times before. More than adequate to meet the needs. Once again, as previously reported by myself, the only complaint that I have is that the shower facilities always fluctuate. I was allocated the first-floor room, which does indeed have a dodgy shower. Obtaining a satisfactory temperature is an arduous and laborious performance. Otherwise, the receptionists are really nice, it all appears well and refreshments are offered.

The Lady:

Layla is a very slender size 8, with an enhanced 32-D bust, but this has been expertly done, and by an initial appraisal alone would not make it obviously evident. Lamentably, her distinctive Yorkshire accent is somewhat juxtaposed with her exotic Asian appearance. A 25-years-old girl, with a tender nature, with her whole life in front of her. Although she is magnificently skilled in the art of love, she demonstrated a lack of worldliness, which will only flourish with experience and adventures. A lovely girl, who has a gentile and appealing personality.

The Story:

Not much more can be added to the above. I turned up without a booking, and this not a wise thing to do with this establishment, since due to the popularity and excellent reputation, the turnover is impressively high. There is never a sense of rush though, and I have never felt clock-watched with a girl here.

There was nothing remarkably outstanding about the encounter itself, enjoyable as it was. The most unexpected was the joint tackling of the shower, which almost became an assisted shower service! Layla also tasted particularly young and fresh. I thoroughly appreciate girls, who are clean and freshen up well. I will withdraw from reversed-oral, if a mutually cleaned, shaved, offerings are not presented. Naturally, this has to be reciprocated, and I take good care that this is always the case. OWO tends to be enjoyed and performed, on a higher level as a direct consequence.

My slight niggle is that Layla did moan slightly too copiously. The moderation of this may be a path forward, but this could be a peculiar trait of mine, that I am slightly annoyed by crude attempts to demonstrate higher levels of pleasure, than what is actually the case.

Highly recommended.
