The Premises:

Serviced apartment with a clean bathroom and a bedroom with a full sized mirror. Highly fit for purpose.

The Lady:

Her photos are 100% accurate and, essentially, what you see is what you get. The photos do not do justice to her outgoing and engaging personality and strong desire to please.

The Story:

She greeted me at the door in stockings and suspenders. I had a quick shower (it was boiling outside) before we got down to business. We started with her on the bed, me holding her legs back over her head with a thick eight inch dildo going rapidly in and out of her pussy all the way to the hilt, while she fingered herself. All very erotic. Next time I plan to use an anal butt plug simultaneously on her!

Then it was on to oral, with me lying on the bed. She has a submissive side and I then had her kneel on the floor, hands behind her back, while I held her head and pushed her it all the way down on my cock until she started to gag. It was then onto the bed again for some vigorous sex in missionary and then doggy positions. Finally, I shot my load into her mouth.

Round two was a bit more subdued (round one had knackered me out more than a bit) so it was limited to oral and more sex in doggy.

All in all, a very enjoyable experience with a beautiful girl who really wants to please.
