The Premises:

Very close to the tube station. Clean, spotless. Showers, great food. The whole 9 yards. Warmly greeted, sorted out the possessions, had a excellent shower. What more can you ask for.

The Lady:

there were 07 ladies. All beautiful. Well groomed and clean shaven etc. No complaints.

The Story:

Once you get the stuff sorted, (get this the payment is at the end) Its a bevy of girls in all the rooms. Walk in and help yourself or if your shy wait for 30 seconds and someone will grab you in. Its amazing !!! I could not keep track of the girls or their names, as this was a PARTY of SEX. Nobody cared. The girls looked after you, dealt with your request and made sure, you were satisfied. The number of times is physically up to you. The host provides food and drink to build stamina as they expect you to be in the rooms and not in the pantry.

Don't waste time looking around, just attend these parties and walk out satisfied for the rest of the week ! WOW !
