The Premises:

Well described in previous reviews. Dungeon refurbished this year - very well equipped, clean and tidy.

The Lady:

Leila is a truly stunning young brunette with a curvy and firm gym sculpted body. The web site photos are genuine and accurate.

The Story:

I was greeted by the lovely Danni who was on receptionist duty and ushered into the dungeon where I was offered a drink. Leila entered clad in a skimpy peek a boo top (see photo on twitter). She listened attentively to my requirements and made sure she understood exactly what I was after - and a safe word was given. The session itself was a blur of pain and pleasure following my usual menu of body worship, spanking and CBT, culminating in a well lubricated hand job on the bed. She pitched the mood of the session precisely as I'd asked for - playful and erotic. I do hope Leila stays with LR - I'll definitely be back for some longer sessions.
