The Lady:

Carly is a cute blonde little pocket rocket. I have seen her before and was exactly as I remembered. She is ultra friendly and asks all the right questions to ensure you have fun.

The Story:

I had a shower while I waited for Carly. She waltzed in with a smile and a bounce in her step. She asked if I enjoyed any bum play so she could prepare properly. Last time I had a brief prostate massage and let her ride me to a great climax. This time I wanted more anal play and that's exactly what I got. With fingers and toy she expertly played with my arse while giving me stunning OWO at the same time. I caressed her tits and gorgeous arse during my visit and thoroughly enjoyed this. After about 15 minutes I started to get a stirring and warned her I was about to cum. "Where do u want it" she said. "In your mouth" I asked . She duly gobbled my cock until I exploded in her sweet mouth.

All in all she provided a slightly out of the ordinary experience and because of this I will return. Carly is very versatile indeed and ticked a lot of my boxes. Thank you Carly and see you soon hopefully. Promised you a report, hope you like it.
