### The Premises:

A plain doorway in a parade of shops - discrete. Clean and tidy room with shower facilities

### The Lady:

Mixed race, tall, slim with the most amazing breasts I have ever seen! Her photos don't do her justice, fantastic body.

### The Story:

Anna entered the room dressed in her bra, fishnets and denim shorts. Started with a massage then off with the bra for a sort of OWO which consisted of licking my shaft, quickly on with a condom for more oral. Off came the shorts and returned the favour but no fingers allowed. Finished with me on top. Had a shower and a relaxed chat afterwards

Not the best punt in terms of interaction - she seems a little uncomfortable with her profession. Not exactly a GFE or OWO but I would recommend as she is a lovely girl, great personality with a great body. Be a shame not to discover this for yourself
