### The Premises:

Very nice flat close to Kensington High Street, easy to find, good parking. Well stocked shower with loads of clean fluffy towels. Candle lit when I arrived with discreet classical music playing in background.

### The Lady:

Petite blond, very slim, blue eyes, early thirties. Awesome cleavage (34 DD I would say), all natural and a very spankable bottom. Exudes sensuality and femininity.

### The Story:

I discovered Sylvia via the directory in Punternet and clicked through to her website. What caught my interest were the personal video clips that Sylvia has up loaded to her site. In particular the Oral video which I thought was very sensual. I called Sylvia a day in advance as I wanted to make sure she could see me on my very short stay in London and she was able to fit me in within 24 hours. Upon my arrival I was greeted by a gorgeous and very flirtatious blond lady.....the pictures on the site do not do her justice. Sylvia was quite chatty and I felt very comfortable right away. I outlined to her the scenario that I had in mind and she gave me a choice of costumes that she could wear from very sensual lingere to some very erotic PVC and latex. I was delighted to be able to chose the black PVC cat suit.

With the Oral video from her website in mind Sylvia very helpfully positioned a very large mirror close to us so that we could watch all the action unfold. Sylvia has lovely soft sensual lips and after just a few very teasing kisses with her tongue flicking over my tongue I was becoming quite excited which Sylvia couldn't fail to notice. I settled back on her big leather couch and watched in the mirror as Sylvia's red hot lips descended slowly on the head of my penis. Just as she was in the video, Sylvia was very slow and sensual as she explored my shaft, first by gently flicking her tongue all over it and then slowly taking my full length down her throat. Just as she had done in her video Sylvia made sure she had lots of eye contact with me. The experience was mind blowing and though I wanted almost immediately to explode in her mouth Sylvia slowly withdrew as if she read my mind, gave me a minute to recover, and then started the process all over again. I watched in the big mirror as that blond head bobbed up and down on my cock. I lost track of time but felt very proud of myself that I could last so long but really this was all thanks to Sylvia's wonderful oral technique which was attentive and sensual and made sure that my pleasure was as prolonged as

possible. Eventually of course I just couldn't take any more pleasure and, as we had agreed in advance, I exploded all over her sweet little face.

We still had thirty minutes left and Sylvia suggested a change of costume for her to help me build up some more excitement for round two. I was thrilled with this offer as it had never happened to me before so I suggested the black stockings and suspenders and her sexy black Louboutin shoes which are a real turn on for me (must be those red soles!!). Sylvia was now draped vey seductively over the back of the couch with her pert little bottom on full and open display and I experienced a very strong desire to give that little bottom a firm spanking. (A spanking is included in the service and Sylvia had agreed this with me in advance). She agreed with me when I said she was a naughty little girl and naughty girls had to be punished! First I poured some very nice sensual body oil over her bottom and massaged it for a few minutes before commencing a nice rhythmic series of light little spanks to her bottom gradually bringing up a very nice shade of pink on both cheeks. By now of course I was fully recovered from round one and my cock was once more throbbing and very keen to explore Sylvia's very wet pussy. I managed to last another ten minutes as I took her from behind and gave her a good seeing to before experiencing another exploding orgasm. That was me done and the sixty minutes fully used up. Next time for sure I will make a longer booking as I would like to explore more of the services Sylvia offers. A quick shower then, out the door and rushed off to my afternoon meeting in a dream like haze! Can't wait to go back!
