The Premises:

An upstairs premises on an industrial estate in Northampton. There are several spaces outside but these are limited to 4 spaces. There is a small outlet retail park next to the premises with about 100 spaces but this is usually reasonably busy, but a few spaces are usually available. Although next to a cafe and the industrial estate is busy nobody batted an eyelid.

The Lady:

The photos of this young lady don't do her justice! She is a stunning size 8 who really could be a model if she wanted!

The Story:

First time visit to any business of this type or to any escort. I went on the of chance of seeing a lady and was lucky enough to be able to choose Rachel. She showed me into a basic but clean room where I had a shower before anything happened. This is a rule at this agency, but I was grateful anyway as it was 28 degrees outside! Anyway, I was very nervous but Rachel was extremely kind and understanding. I was offered either a talc or oil massage chose the talc and because I was in a lot of pain she concentrated on my front. Wow is all I can say. She was fantastic! I was very so taken I came within minutes of her touching me but she took it within her stride and helped me clean up. She then carried on. She took her bra off after a while and set her beautiful breasts free. When I say beautiful I mean really hot and natural breasts, no artificial implants here! Would I recommend her oh yes!
