### The Premises:

Very nice and spacious room with pole and cage platform, but I was more interested in spending my time with Sammy on the bed and just enjoying her company lol. The room also had a decent shower and the bed allowed ample room for fun & games.

Discrete parking rite next to the entrance of the building to rear.

10/10 for cleanliness and comfort.

### The Lady:

Sammy is absolutely stunning in every way possible, her cool persona and sexy looks are second to none as far as I'm concerned and even in the short but mind blowing space of time I spent with this beautiful woman, i actually feel that Sammy really would be my type of girl to chill out with and really enjoy being with full time and big time! Her pics on her profile do look awsum, but in person and reality she is more gorgeous than any girl iv ever known or met and even dreamed of as a matter of fact. If dreams came true than they wouldn't even come close to the feeling and pleasure I got from being with Sammy in that amazing half hr of my life.....would like to hope and think I made it worth her while for Sammy to ;) x

### The Story:

This is my very 1st and final report on here, the only reason I created an account was to enable me to write this one and only report solely because of the impression Sammy has left me with after our meeting, it was 2 days ago now and I still can't stop thinking about it...get down boy lol! and I hope that you Sammy are reading this ;)

From when you first looked at me to say hi when I was waiting for you I have never felt as physically attracted to anyone as I did you.

From the second I turned around to see you stood there behind me just after I got out of the shower iv never wanted anyone as much as I wanted you!

Iv never felt as horny and turned on as I ever have been in my life in that half hr spent with you babe, so much so I didn't want it to end.

No one has ever made me feel like that and no words can describe the feeling I had that iv never had before now when we were lost in the moments from start to finish, and since our session iv

never felt so full of life and on a natural high!

It really felt like there was a real chemistry between us despite the reality of the situation but I'm hoping and guessing from this chemistry we both seemed to create together i made a part of your day at work nearly as enjoyable as my visit. All i can say is WOW and I think ur an amazing woman who I would love to see again very soon. Now I'm gonna be looking for excuses to pull away from jobs from time to time to fly over to Sheffield to say hi.

See you soon sexy, big love The Stallion lol xxx
