The Story:

I went to see Pornstar Brooke Jameson, I had noticed that she'd dropped her rates recently, she's on Photogirls site at £300, her Indy rates are £200 p/hr and £100 for the half/hr, when I called her the day before I asked if this included anal, she said it does, I didn't get back to her Thursday night, but sorted a late appointment Friday night.

She's staying in a hotel near to Paddington station, I got there at 11pm, I'd booked a half hour, found her room, she opened the door, was fairly dark, she was friendly, and gave me a hug, and we had a quick chat before I took a shower, when I returned from the bathroom Brooke was kneeling by the bed, she told me to come sit on the edge of the bed, and lay back, I did and she started stroking my cock, which felt nice, but laying back wasn't that comfortable, I was waiting for her to start OWO, but she kept wanking my cock, she then mentioned that she had scratched the roof of her mouth, so there be no OWO, right ok, she got a condom and did OW, it was not bad, I wasn't comfortable so I moved up to the bed and lay back, Brooke carried on the BJ, I wasn't feeling it, something was missing.

Was about half way through the punt now, so I asked Brooke if she'd get on top for reverse cowgirl, she said no sorry I promised my fiancé not to, which wasn't the reply I was expecting from her, she'll suck a guys cock, and take it up the wrongen, but won't get on top! The punt wasn't looking to good at this point, I was allowed to do her in Mish, she had her legs back as I banged her, nice tight pussy, I wanted to finish with some anal, so asked if we could, Brooke said no way anal is extra, even though she had told me over the phone it was included, but hey no point in an argument, so I kept thing light, and carried on, a few minutes later Brooke got up and told me to come sit at the edge of the bed again, she gave me another wank, while I played with her large enhanced boobs, and I soon shot my load!

Brooke is more muscled than she was in her films, she said she's starting body building, I do like a toned athletic woman, but her biceps were bigger than mine!

She seems a nice enough person, but the service wasn't there, no kissing was initiated, she had a problem with her mouth so OWO was off too, she wouldn't do anal, and in general the punt was luke warm, no passion from her, no GFE or PSE really, Brooke seems to have a routine she wants to stick to, a real shame as she is as dirty as fook in her porn.

So I'm glad I only dropped 100 quid, would of been gutted if I'd gone for the hour.

Brooke said she'd been working from the hotel for 6 weeks, but won't be around soon, as she's emigrating once she gets a Visa, probably best as hooking isn't her forte IMHO
