The Story:

known gemma for nearly a year now and met her loads of times as she is very addictive. she is funny and cute all rolled into one and she couldn't be more sexy if she tried! every meet I have had with here is very intimate and she makes you feel wanted every single time ! I wont go into detail what happens in the bedroom as that is private but I will say it is enjoyable every single time and she always welcomes you with a cute smile and a hug, she is guaranteed to make you laugh and have a giggle as well give you the perfect gf experience . don't pass this cute innocent ;-)girl by and treat her with the most upmost respect as she doesn't deserve to be messed about or abused as she is too nice for that !!! until next time gorgeous !! love ya jay x x x
