### The Lady:

She does look like nigella. Grear bum and long legs tanned all over lovely dark hair. She is white and looks better then her photis. Great body and a great conversation to be had. You could take this woman to dinner and have a great time.

### The Story:

I came in we talked exchanged pleasantries. Then money exchanged hands and i undressed and got on the table. She massaged my back and legs great massage then turned me over and started playing with my cock what a great handjob and what a explosion at the end. I then stayed in position while she rubbed me down. And offered me a shower.she then spoke and was in no hurry for me to leave. A very sexy girl and gives one of the best massages in luton you will love her but be nice she is a really great girl .
