The Premises:

Shabby apartment block with bus stop right outside. Bit of a walk a walk of shame as you call to get in.

The Lady:

Very pretty & petite girl.

She will perform as requested, but general attitude sucks.

Not someone to see if you want more than bang for your buck. A shame because she does have a spark about her.

The Story:

Seen her twice. She likes to get her kit off asap. I like it slower.

First time I put the eye rolling down to not quite getting what I said.

Got good oral, a nice fuck different positions, then an exasperated sigh when I asked to lick her pussy.

Ended up with a fine CIM but thats it.

Second time, greeted at the door, looked up and down as if I was dog dirt. Put it down to a bad day.

Explained I needed a shower (for her benefit I guess), big eye roll. Nearly asked for my cash back at that point.

Basic BJ, a bit of sex with her on top then from behind.

Finished in mouth with her crouching froggie in front of the mirror.

She is a beautiful girl, will do as you ask, but expect attitude.
