The Premises:

Gorgeous apartment - high ceiling, tasteful furnishings, spotless, elegant bathroom. The only flaw was the rug on the floor which needs to be rearranged - probably done by now - or somebody's gonna trip over and get knocked cold.

The best location I've ever been to.

The Lady:

Tall, slim French woman, pierced nipples, and very, very beautiful. Bellissima! Her eyes, her mouth, the stuff of dreams. Reminded me, in a small way, of Tabatha Cash, but lighter-skinned and more slender. Don't expect a strong Gallic accent: Zara is very anglicised and I thought I heard a trace of a midlands accent. A delectable derriere.

In a word: dishy.

The Story:

Please be as detailed as possible? It's that old conundrum, wanting to share the good news and at the same moment keep the goddess to one's self. Zara must be pretty new to the industry, probably just a part-time gig, because she's eager, enthusiastic company, very sexy and an hour could very properly have been spent simply kissing her mouth, so sensual and captivating. The time flew by but I made sure to make the best of it. The pierced nipples were a new experience for me, but don't worry, it's not like you're gonna get your tongue caught and have to go to ER.

One of the very best incalls, charming surroundings, charming company.
