### The Premises:

Been here a whole bunch of times, behind staples, always somewhere to park.  
inside is basic, nothing special, toilet/shower again basic.. this is no plush palace nor a hovel, just a slightly tatty flat.

### The Lady:

gorgeous, nice skin, very pretty face and young tight body.  
her hair was up, which seems to be a theme with this particular establishment... I would call it lazy as it means no having to do hair between clients... but again the theme here seems much more rushed than annabellas... obviously I much prefer hair down as I hate short hair and like the hair brushing over me etc.

### The Story:

from all previous reviews of this young girl I was hoping for a good time, but it was a poor show, so I presume I got a bad day..

she half arsedly attempted conversation, which didn't go too well, thankfully I was there to fuck her so not too worried about that aspect,  
anyway, firstly I was asked if I wanted OW or OWO, I said OWO, she said OW.. she also declined any kissing when I asked ( I was freshly showered, fresh breath and I'm while not everyones taste.. handsome and physically good looking )  
so I struggled to get hard with all this going on while she was OWing me and I'd taken a disliking to her by this point on the feeling of misrepresentation.  
we moved onto sex after a brief 69, she has a nice pussy...we had sex missionary for a short while and then from behind, no enthusiasm from her at all, but it at least looked good.

now I like to watch a beauty fuck me, so I asked her to get on top.... she huffed and said she couldn't be bothered... but eventually 'got on'... by this point I was again struggling to keep it up as you can imagine how enthusiastic I was toward fucking someone who "couldn't be bothered", It was at this point she dropped the killer line "why are't you hard?", I barely contained my comments, which would have been "because of you!" lol

at this point I thought fuck this. pushed her over and fucked her till I came, got dressed and left.. all done in 20 minutes.

shes stunning, but I'd never see her again and based on her performance then, would'nt recommend her... I think some people are happy as larry just to get to stick there penis inside a beautiful woman, I though, want a decent fuck.....
