The Story:

was greeted at the door by betty who looked stunning was given towel to freshen up first then offered a much needed cold drink . then had bit of a chat about where she was from and how long she had been in town then she took off top and we got down to buiseness. started off with covered oral then she got on top for a spell followed by some missionary . after that we switched to some doggy betty has stunning bum so was good to have good look at it. some more cowgirl then finished off with more oral . a great girl and I wished I had booked longer would visit again for sure .
