Details of Service Provider:

Profile Name: Ego Massage

Website: <http://www.ego-massage.com>

Phone: 01908630776

Phone: 07500885762

The Premises:

Very easy to find, good map on website. Entry is discreet as it's from a car park (so easy parking!), also very close to train station.

The room was very clean and had excellent shower en-suite.

The Lady:

I've known Rihanna for many years due to my visits to HoD in London, where she was the maid - the maid that everybody lusted after!

Rihanna looked gorgeous! Perfect make-up, slim and firm figure, friendly, beautiful face and very, very sexy. The photos are a little masked on the website and don't really show just how stunning Rihanna actually is.

The Story:

Quick shower to start with, followed by an excellent massage, starting with me on my front and Rihanna massaging from my feet and working her way up - this was a very good professional massage, not just a quick rub that you get in some places. I had a few knots that needed sorting out and Rihanna did this for me.

I opted for the body-to-body massage and heartily recommend it - Rihanna climbed up on the massage table and rubbed her heavenly body over by bum and back.

Then time to turn over, more body-to-body - which you can watch in the mirror on the wall, then it was time for the happy ending, which was superb and delivered in a very sexy way. Full sex is not available at Ego and I knew this and did not try to persuade Rihanna otherwise.

Another quick shower to remove the oil from the massage, chatting with Rihanna as I dried myself and got dressed. No clock watching, in fact I overran a little bit, but that wasn't a problem.

I think I'm going to make the journey from London to Fenny Stratford quite regularly - Rihanna is a lovely girl and I hope to see more of her, well actually I did see all of her since the body-to-body massage is delivered nude, but you know what I mean!

If you've never had a proper BTB message with a lovely, sexy girl, followed by a happy ending, you don't know what you are missing, trust me!
