The Story:

This was my first visit ever to Coventry, so I wanted something good to remember. I set up the visit a couple of days before. Anita met me at the door, scantily dressed. She offers most services, but I decided to go for oral on this occasion. I wasn't disappointed. I went down on her as well afterwards for some 69. Then we had covered sex in mish. She's not the first Polish lady I've tried and certainly won't be the last.
