The Lady:

Beautiful, petite, blonde lady with a body to die for, fantastic big boobies, slim waist, curvy arse and lovely legs, dressed in fantasy lingerie and heels. Photos are totally accurate and she has a beautiful face too.

The Story:

I met the stunning Lucy for the first time in a 2 girl interactive with the totally gorgeous Carla. The price included filming both ladies while they pleased me and each other, it's now the pride of my home movie collection!

Both ladies looked totally stunning, gave me kisses that saw me rise to the occasion, agreed to filming (and said they'd help too :) I paid the agreed price and immediately started filming them rubbing each other's fantastic tits up against each other and licking each other's nipples, whilst commenting on my stiffening cock and telling me what they wanted to do to me (incredibly erotic and both girls were obviously having a fab time too)

They then knelt at my feet and took it in turns to suck my rigid cock while I filmed it :). Then to the bed, more kissing, caressing and knob sucking. Lucy sat on my face and made the most fabulous noises as her responsive pussy enjoyed my tongue, while Carla gave me an expert BJ That took plenty of control to stop me coming too soon. This went on for some time until Carla decided she wanted to sample my tongue skills, coming very noisily really quite soon I am happy to say, while Lucy sucked me and kept me rock hard ready for Carla to slide onto my cock and ride me reverse cowgirl (protected of course) what a fantastic sight that was. Carla turned round and after I'd fucked her doggy-style Lucy changed condoms and rode me (fantastic view of her marvellous tits and beautiful, smiling and ecstatic face. Lucy decided she wanted me to fuck her doggy-style while she licked Carla's pussy and I shall treasure that memory always.

There was prolonged, kissing, licking, sucking, fucking and nibbling in various places in the room until Lucy sucked and wanked me off to come all over Carla's ample bosom - fantastic. The girls were all smiles and compliments throughout (big, big smiles :) and worked superbly together to make me feel like some kind of sex god (which I so am not) and really, really do enjoy what they do, giving and receiving pleasure. I fully intend to see Lucy again one on one and with Carla again if possible. Very highly recommended and a delightful, sexy lady all round.
