### The Premises:

Small basement studio flat in elegant building in Notting Hill it's a bit of a warren the first time but I felt perfectly safe and anonymous. It's a short walk from the tube in a very pleasant area. Contains everything necessary and has a small toilet and shower with the basic requirements for a shower before and after.

### The Lady:

Tall around 5'9", breathtakingly gorgeous Scandinavian blonde, perfect figure, lovely breasts with fantastic nipples. Wonderfully long legs, perfect ass, heavenly pussy. She has a lovely smile and sexy eyes with a mischievous glint. She's smart, clever, funny and sexy, a wonderful combination.

### The Story:

Monica was dressed as requested in black stockings and suspenders and black underwear. I won't go into lurid details other than to say Monica is wild, uninhibited and totally open, she clearly enjoys what she does with utter abandon. I'm surprised her knickers stayed on as long as they did! I've seen her 3 times now and I've had 3 of the best sex sessions in my life, for me she's perfect. I'm what you might call "mature" and it's gratifying that she doesn't mind seeing older men; I'm no stud and once in an hour is my limit but I can easily fill that time with Monica in wild abandoned mutual fun. Oh boy is she recommended!
