The Premises:

A bit in the open, despite being down a backstreet. When you go in, the guard opens the bars and you go into a lounge, where you will be asked to select your girl at the desk. This is actually quite hot in a weird way as they line up for you.

The Lady:

The girls were all 18 - mid 20s, slimish but in sexy lingerie. Tasha stood out because 1) she is a little more buxom and busty than most and 2) she has a cute face. She was wearing black and white bra and panties, high heels and tights with a garter, stood 5' 4-ish with long black hair. I think she may be Spanish.

The Story:

Tasha is one sexy girl. She massaged me, turned me over for a blowie then rode me, her on top. Lots of eye contact, sexy voice and she kept her garter on which was hot. Turned her round and fucked her in doggy then came, which was satisfying as hell. A nice, cuddly, sexy girl who fucks like a porn queen and so, so, so tight.
