### The Premises:

An aristocratic, spacious and clean flat very near Edgware Road station, Hammersmith and City Line exit.

### The Lady:

Photos are retouched but you can definitely recognise her from them. She's pretty with a fabulous hourglass figure. She is Latvian, in her late 20s and 5ft5in tall. She was dressed very sexy – undies and high heels.

### The Story:

After money was sorted out I went to the bathroom to have a shower and when I came back we were soon standing French kissing. Alexia is an amazing kisser. I placed her on the bed, played with her boobs, pulled down her knickers and started licking and fingering her pussy. She seemed to love it. Her turn now, she grabbed a condom, placed it on my cock with her mouth and gave me a nice covered blowjob. We changed into 69 and the main course started a few minutes later. Sex was very raunchy and after about 10mins I came inside her while I was thrusting upwards during cowgirl. Alexia advanced to give me a massage during which we had some chit-chat. I returned the favour and not long afterwards I was ready for round 2. This time we had sex for much longer and in many more positions. I released my load on her boobs. We then had an interesting conversation lying on the bed until it was time for me to leave. I left feeling satisfied.
