The Premises:

House of Divine near Victoria (location2). Like the place and the high ceilings.

The Lady:

Beautiful and tall as on the pictures and although you cannot see it on the pictures, Marie has green eyes.

The Story:

I went 5 minutes early and refreshed a bit and then Marie came in and just discussed what I wanted (GFE and kissing to warm up) and Marie was ok with it. She is very easy going and relaxed. I have seen a lot of ladies who are stressed and rush you but this was not case at all for Marie. We started with soft kissing, then I kissed her body continued by OWO. We changed a few positions and although usually it takes me a long time to come this was not the case with Marie as she really turned me on.

I'm not a guy who likes the PSE and Marie was excellent in providing the GFE I wanted :-). So I came within 25 minutes and spend the remaining 20 minutes caressing her and chatting. Really enjoyed her company and felt I clicked with her, so will be back to see her again. Treat her nicely as there are not many such nice girls out there.
