The Premises:

She lives in a typical basement flat in Earls Court. A smallish room which served the purpose, and a clean bed and tidy bathroom and shower.

The Lady:

Lucinda is stunning, much better than her pics. She is petite with the biggest most perfect natural DD boobs I have ever seen on a small girl. She is slim with a flat tummy and a lovely ass.

I thought her to be very pretty and just about perfect, in fact I was blown away by her.

She did seem a bit shy at first, but soon warmed up, although definitely not very experienced, but sweet and cute with gorgeous boobs and body.

The Story:

Although she is shy I had the most amazing hour sucking and licking her all over while she gave me a good blow job and 69 and great sex in many positions, especially with her on top and her perfect round soft boobs swinging on my face.

I am definitely up for seeing her again, maybe with one of her friends.

Another great recommendation from the agency who, when I told them I wanted big soft natural boobs, pointed me in her direction and told me she was one of the loveliest girls they have on their books.

I can't disagree with that. She is perfect and highly recommended.

A great GFE. One of my best.
