### The Lady:

Four ladies:

Christina - sexy/crazy/loud Bulgarian, party legend and bloody brilliant, really makes these parties swing.

Tempest - buxom redhead with a wicked way about her.

Joanna - slim, tanned and with the most peachy ass.

Emma - beautiful English blonde, this was her first party and what a debut, absolutely outstanding.

### The Story:

It's great to be able to go to a party without having to schlep down to London. So, arriving and walking in to see Christina who I've known from London parties for several years was great. There was only 2 of us guys there and 4 unbelievably horny women, so this turned out to be a mega suck/fuck fest. Well, we did our best! Of course Christina immediately took me to the bedroom and reminded me what a great blow job she gives, I mean seriously good. So my first pop of the day involved Christina's mouth round my cock and Joanna's pussy on my face. Back in the lounge to rest and Emma stroking my cock led to a session in the bedroom eventually being joined by Joanna being doggy fucked by the other guy while Tempest and Christina got involved with tits hands and mouths, a real orgy. Again resting in the lounge I discovered Tempest sucking my cock, so I guess the polite thing to do was to fuck her, which I did, delightful. The 2 hours rushed by in a blur of sex, rest, chat etc. a fabulous afternoon, definitely to be repeated. Thanks to Sarah the hostess, this place could become addictive.
