The Premises:

detached house with parking on drive.house is on a main road with plenty passing traffic.house is used by two other ladys and is very untidy.bath room is small with a shower over the bath but again very untidy.

The Lady:

kellyanne's adultwork description is about right.the photo's on the site do match.hight size and hair all as you would expect.

The Story:

first tried to contact kellyanne on Thursday the 7/8/14 to arrange a meeting for Friday the 8/8/14,called twice no answer,called twice more this time the phone went to answer phone service so left two messages also sent a text message,had no reply to any of these.
called again Friday morning and after a few attempts my call was taken and we was able to arrange a meeting for two pm at her place in Rotherham.sent her a text to let her know I was setting off and would see her soon.i was on the road near her house for 13,50 hours,called kellyanne she told me she was running late and would call back soon.14.30 she called back and gave me the house number,the door was slightly open I knocked and was called inside and to come up to the bedroom. Kellyanne seamed very illprepaired the bed was not made we got the paper work out of the way she then told me to take my things off she then went and got me a drink,after what seemed like an age she put some sheets and pillows on the bed,she was floating around from one room to the next. I had asked her if she would dress in some nice sexy underwear with a blouse and skirt on she said that see would but when she came into the room she was just in a bra and pants.
I had wanted the gfe but I did not get this.the list of things see likes on the aw site include a levels(at discretion)anal play, rimming,french kissing,oral without(at discretion)moresomes and all the other services you would expect from the gfe.
I got none of these no kissing no oral without.we had about haft hour of sex out of a two hour booking,turned out it was the wrong time of the month for her.
she should have told me that she was not working that day and could we meet another time as it was she took my money and I had what I would call a proper rip off service.
I like to see the same girls a few times before moving on to some one else but I will not be going back to see kellyanne,
if you see her profile don't be tempted move on.or go to a parlor and get a good service.
