The Premises:

Large, clean, spacious apartment in a smart apartment block in Paddington. The proceedings took place in a smartly furnished room with a small adjoining kitchen and an en-suite just outside the door.

I knew it already as it's the same place where I'd seen Amanda's flatmate Lena twice.

The Lady:

Even though it's standard practice for escort agencies to brush up the pictures of their girls, I was delighted to find that Amanda looks very much like her portfolio. She's a luscious Polish girl in her mid-twenties with a firm, well-proportioned curvy body and an hourglass figure. Shaven and well-maintained.

Amanda speaks very good English and is a pleasure to be with; chatty, smiley, humorous and very easy to get along with. As you get to know her, it also becomes apparent that she's a very sweet, caring girl.

She wore a white corselette which, when removed, revealed her splendid body clad in a pink bra and thong. She looked fantastic.

The Story:

Amanda invited me into her apartment and made some small talk to kick things off. I was offered a drink and a shower, both of which I declined, as I had given myself a good grooming prior to the appointment. She was okay with that and we sat on the sofa and chatted a bit more, which soon turned into soft kissing and feeling each other up. It wasn't long before we had proper DFK going which made my already-aroused knob harden like a rock.

After a few minutes, Amanda helped me undress, dropped to her knees and proceeded to give me some really exquisite OWO. This was great and had me on edge most of the time. I was actually surprised I lasted through that without shooting my load in her mouth (it might have been for the better, though, as I have a long recharge time).

After those few minutes of oral bliss, Amanda suggested that we move onto the bed. I readily agreed and not long after we indulged in a very satisfying 69 session. Her shapely, shaven pussy,

quite wet at this point, was a joy to taste and explore with my tongue.

Another few minutes passed before we decided it was time to move on to the next stage. On went the rubber and Amanda climbed on top of me for a very nice, vigorous cowgirl ride, which was followed by some doggy, missionary and finally deep stick, which was where I couldn't hold out any longer and had a very fulfilling, draining climax. It was clear that Amanda was also enjoying herself throughout our workout as her pussy got very wet. Later she said the size of my apparatus had made the sensations great for her.

With some 10-15 minutes remaining, Amanda again offered me a drink, which I duly accepted this time, and we chatted some more. Once my thirst was quenched and my breath steady again, I got dressed and alas, had to leave.

Amanda is a cracking girl and well worth the premium rate. This was one of my best punts to date (if not the best!) and I'd love to see Amanda again in the future. Which I well might, finances permitting.

So, here's to that. Cheers!
