The Premises:

Met at Caroline's home. Clean, good directions so easy to find, found it easy to park, discreet, and safe.

The Lady:

Welcoming, Friendly and warm personality. Exactly as described on her accurate profile - probably even better!

The Story:

Caroline is a special person; a lovely person and by far one of the best at what she does. Her communications are articulate and she is a joy to have a conversation with. She gave very clear instructions to her cottage. The house is comfortable, safe, spacious and I found no difficulty in finding parking. The cottage is kept immaculately clean.

And from arriving to leaving I knew I was with a friend who cares; whose art has been perfected and, for example, her massage is exactly right, obviously given by somebody who knows and is good at what she is doing.

No clock watching, one has the impression of not being rushed, in fact given all the time in the world for the commendably wonderful experience. She is friendly, a good conversationalist and great fun. Obviously enjoys meeting people and providing excellent friendly and warm service.

I would highly recommend and will definitely see Caroline again.
