Lovely slim blonde lady. Long blonde hair and nice ample boobs. Kind and seemed naturally friendly.

The Story:

I usually punt on a Saturday morning and always have done as it means I can get on with my usual routine after the punt. I am quite partial to blonde ladies as I have a particular type and Katie seemed to fit this perfectly. I therefore went to see her based on the previous review.

I was not disappointed. I always prefer the girlfriend experience as opposed to the pornstar experience as I like to take things slowly and I like to form a bond with the girl I am seeing. I like to have a chat and then take things slowly at a pace which I am comfortable with.

During the meeting, Katie seemed to fit this bill perfectly and allowed me to dictate the pace of events together with what we did during the meet. I am a bit predictable when it comes to what I do but Katie duly obliged.

She welcomed me with a hug and kiss at the door. I was then asked to wait in the bedroom while she got me a drink. We had a chat about what I was going to do for weekend and she told me about her what she did before entering the world of escorting.

We then proceeded to kiss for about ten minutes. I love kissing by the way. Then it was down to the action. We both undressed and I asked Katie to get on top. Katie put the condom on and started to ride me slowly. I asked her not to go too fast as I wanted our meet to last the duration.

I then got on top of Katie in missionary and took it slowly while trying to kiss her. This was a mission. I am a man so I cannot multi task. I found kissing a shagging simultaneously very difficult. I told Katie this and she found it very funny and endearing!

I then asked Katie to get on top again. This lasted for a further five minutes before I had a fantastic orgasm.

We finished off with Katie giving me a massage for the last 10 minutes.

There did not appear to be any clockwatching. Indeed, I could not see a clock in the room and the only timepiece there was my watch. I definitely got a full hour and some.

I will look forward to seeing Katie again as she fits my type.
