The Premises:

Easily reached from the MK shopping centre and quiet - although opposite a car park.

The Lady:

As per her photos on the Annabellas website although with more tattoos than I had realised. I am not normally a great fan of tattoos on a lady but in this case it did not affect me.

The Story:

I had originally decided to have an appointment with Karolina but she was not available (I was told that she has a reputation for unreliability and they did not know when she would arrive). As there were not many ladies available at an early hour I settled for Lucy who was available. I will not go into details about all that transpired between us. Suffice it to say that I left feeling very relaxed and happy. Lucy is very attentive and friendly and it was a wonderful experience. Lucy you have made an overweight old man very happy. We chatted nicely afterwards about things. Lucy thank you again and I wish you every success in your new venture.
