### The Premises:

Nice place, discrete but on a busy road. Parking nearby. Inside is very nice and comfy, receptionist was really friendly.

### The Lady:

Shelly has an incredible body that, if anything, her pictures don't do justice to. On the website she's wearing one pieces that just don't let you see how good she looked in lingerie today. She has a gorgeous face, an /incredible/ ass and perky natural Cs.

### The Story:

I actually wound up calling time on my visit before I was finished, after a massage, 69, an awesome blowjob and a bit of her on top. This had nothing to do with Shelly, however, I just felt a bit off, and she very nearly charmed me into staying. As other reviews have said, she is a phenomenal kisser and put me at my ease despite my nervousness. I will certainly be back when I'm feeling 100%.
