### The Premises:

Detached house in a quiet residential area outside the town. Felt very safe and no prying neighbours. House clean and pleasant.

### The Lady:

Jan is quite tall and has a slim and nicely proportioned body. Short dark blond hair. Age mid thirties.

### The Story:

Jan came to the door saying that she was doing her housework. She was dressed in a slip, stockings and no knickers! Wow, what a girl. Immediate passionate kissing in hallway continued for about 5 minutes and then to the bedroom. Mutual undressing and then more exploring kneeling on the carpet. Finally proceeded to the bed and then followed probably an hour of owo, playing with each other and sex in mish and doggy.

This girl is insatiable and obviously enjoys every minute. Always eager you will tire before her. Came twice with encouragement from Jan. You certainly won't be allowed to leave unsatisfied!
