### The Premises:

Nice well presented flat near Cabot circus in Bristol. Plenty of parking in local car parks, safe and secure entry.

### The Lady:

Paris is a gorgeous woman and every bit as sexy as her photos on her site. She is also really friendly and very welcoming. She always dresses very sexily and looks fantastic every time.

### The Story:

Not my first visit to Paris nor will it be my last! After arriving and parking up, making a call and being let in to the apartment block I made my way to her door. On knocking she opened the door and let me in with a welcome and then grabbed me and started to snog me passionately. Next we moved upstairs to the bedroom and sat on the bed for a chat before doing the necessary. All the time Paris was sat in her black dress with her stocking tops revealed which is always a big turn on for me. After a while Paris took the PVC dress I had chosen for her to wear and left to go get ready. When she returned I was blown away (again) as she looked soon hot in the dress, heels and stocking hold ups. Music on and we started to play! Baby oil smothered over the dress and then she began rubbing her body up and down mine frontwards and backwards grabbing my hands making sure I got to caress and squeeze her lovely tits. Paris is superb at sucking cock and I regularly find myself resisting the temptation to come too quickly. Lots of reverse oral ( without) on the bed and finally she slipped on the condom ( with her mouth) and then sat astride me! All I can say is Paris is the best ever! Not done with that there was relaxed time after with a lovely tit and hand back massage whilst chatting and then she attempted to raise my old boy once again and make me cum in her mouth but he was just too worn out from the session earlier and so we settled for some more massage and gentle conversation.

Definitely recommend Paris as she is definitely the best around and a wonderful intelligent person to converse with as well.

Catch her while you can!
