The Premises:

we met at the flat near Sloane square the room was clean and large It is easy to find, in a good area

The Lady:

she's petite but very busty even more than her pictures suggested was wearing a sexy lingerie and her massive boobs where exploding out what a view

The Story:

She immediately puts you at your ease with her friendly greeting hug and kiss she makes me feel like I was the only man in the world and indeed she does exactly what she said on the tin extreme PORN STAR EXPERIENCE What came next was amazing porn style OWO the likes of which I hadn't had before. Her oral skills are second to none, and she's a great tease. I've never had the full PSE before, and she does it so well, I was overwhelmed actually. Getting me all sloppy and hard she demanded I fuck her, which I couldn't object to, and gave her all I had. Dirty talking the whole way, I've never enjoyed sex more. We did doggy first then moved on to missionary both of which I couldn't get enough of. She wanted my load on her tits, which was a big one since I'd saved up for two days. An amazing and relaxing time spent with a woman who really seems to enjoy what she does, and puts in the effort to make sure you do too. I'll have to see her again, she's very addictive already.
