The Story:

screwed me around with timing, i was outside for 10mins knocking no answer, no text nothing...left then she texts i am there, so go back and then she says she was there all the time but i must not have knocked hard enough...nearly took the effing knocker off!

awful, should have bailed but paid and then she got even worse...totally disinterested, bored, no effort or contact, worst ever with any WG, left after 15 mins...feedback is total BS, she would not confirm my booking (surprise surprise), the type that gives the Romanians a bad name...AVOID!!!!!!!!!!!!
