The Premises:

Safe area in a very run-down part of Sheffield.

Do not be put off by the outside of the building, very deceptive as to what awaits you inside. Buzzer entry system, but you are shielded from the main road.

Once inside you are straight into the lounge where the available ladies are sat.

I had a chat with the girls & the very friendly receptionist who offered tea/coffee.

This is a clean, well-run, welcoming establishment, where all concerned seem to be happy in their work.

The Lady:

I know it's a term often used on this site, Faye's pics really do not do her justice.

Today dressed in black fishnet stockings, white lacy camisole with matching knickers and a white bra; I nearly shot my load just looking at Faye.

Damn good-looking, perfectly proportioned, friendly, sexy lady.

Faye not only looked just perfect today, she smelt & tasted great.

The Story:

Paid £40(no door fee on Sunday) for the full girlfriend experience and that is exactly what I got.

From the minute the bedroom door closed I was taken back many years to those sexy girlfriend experiences with a girl who just wanted to give you pleasure.

No details required, just a fantastic half hour with a very sexy lady.

If GFE is your thing, Faye is perfect for you.
