The Premises:

Nice location in centre of town. Parking nearby and close to Station. Facilities of good standard. Discrete.

The Lady:

Very attractive lady whose pictures do not do her justice. Word to sum her up is gorgeous. Exudes sex-appeal.

The Story:

Met with Angelina initially for a drink and lunch. She could tell I was nervous but immediately put me at ease with her wit and charm. After about 15 minutes I felt totally relaxed and really enjoying her company and sense of humour.

After having lunch and chatting for what seemed like 10 mins but as I was enjoying her company so much was actually a lot longer we moved onto the private part of the date.

All I will say is that Angelina is very good at what she does and we enjoyed each others company immensely. Although I am writing this a little while after I kissed her good-bye I am still smiling and will be for some time!! She is an articulate and sensuous lady whom I cannot wait to see again very soon.
