The Story:

This lady is a real gem! She will do absolutely almost anything - Oral (with or without), toys, dom, schoolgirl fantasy. She went down her way to please me. I decided to opt for OWO to completion. She stripped down to suspenders and lay with me for some role-play and French -kiss. After a bit she turned round and started work on my cock, we lie down on exciting 69, she nibbling and sucking my cock whilst I fingered her tight pussy and stroked her clit. In the end I could take no more and came in her mouth, she came too (or gave a damn fine impression!).

She gave me a lovely strong massage, when I had recover I start kissing her and we went back on business, She ride me on a reverse cowgirl, what was lovely as I could see her ass coming up and down on me, She turn over on her fours and I could fell her tie ass. Suse is a lovely girl and lovely services.

This lady really enjoys what she does and makes you feel completely at ease. I will recommend her.
