### The Premises:

### The Lady:

Celine is a beautiful ebony lady with gigantic natural boobs but somehow with a slim and tight body. She is pretty and very, very classy, and is the perfect GFE with a kind and caring manner.

### The Story:

As soon as Celine opened the door and greeted me with a kiss, I was immediately blown away with her incredible looks, particularly her sensational physique. I like slim and busty women and have never seen a more perfect example of this look than Celine. We had a wonderful hour together, where she let me explore her curvy body and provided a classic GFE with a lot of kissing and cuddling. I think Celine is the sort of lady who will be a good choice for a longer arrangement, so I will see her for a dinner date next time.
