my hotel

### The Lady:

Pretty much as stated on the website and the photos are of her. To add to the bits that aren't apparent, she's British and very attractive.

### The Story:

Shelley arrived a few minutes early. No problem for me as I ready in case this were to happen. She was the perfect companion in every respect - intelligent, articulate and provided a completely authentic GFE. In fact she was so totally committed towards ensuring that I enjoyed our time together that she was agreeable to everything I wanted to do as well as revealing repertoire of tricks designed to heighten my sensations.

The main act started almost immediately upon her arrival at her instigation with both of us convincingly playing the parts of lovers reunited after a lengthy separation until the grand finale 55 minutes later. At the end of the performance, she was in no rush to leave and carried on with her girlfriend role beyond my allocated 60 minutes until sensing that my manly instincts were telling me to roll over and go to sleep.

As we said our goodbyes, she told me that she'd hoped to see me again adding that it will be even better the next time. I really can't see how this would be possible as this was one of my best experiences ever but I have found that with Prestige, just when I thought that there was no way the benchmark could be bettered, I meet a lady who raises the bar even further. That's what keeps me returning. I just wish they were a lot closer home.
