### The Story:

I was told that one of the agency girls, Suzi was finishing working as a escort, we have known each of for a bit, and had great times together, I gave her a last booking to remember. I had some time on my hands and my regular girl is away on her holidays.

So we jumped on a plane to Monaco for 3 days, stayed on a yacht tied up in the harbour, and it was a boat that rocked in the night!! A quick trip to Cannes in a Lamborghini convertible, and back home.

A great time had by all.
