The Premises:

Block of flats in decent condition. Free parking about 5 minutes walk away. Paid parking nearer. Room nicely decorated, if a little sparse. Windows are openable, in hot weather. Sometimes, there's a fan in the room.

The Lady:

Leah is a "pocket rocket". She's only about 5' 1" tall, with long, blonde curly hair and hazel eyes (not blue as per the website description). She's a really horny 18 year old English teenager - just my type! She has perky "teenager" B-cup tits, which are very sensitive. She's waxed down below, so she's got no stubble.

The Story:

I've seen her once before, but I couldn't write a FR back then, as I'd seen another girl from the same agency a few days before. As I haven't used Surrey Gems in a while, I thought I'd see Leah for a longer session, so I'd be able to have much more fun than is possible in only 30 minutes.

We chatted for a short while, to establish our likes & dislikes. Leah has a very friendly, bubbly manner and was easy to get on with.

We both stripped off. Leah likes to keep her stockings on. We kissed & cuddled & stroked & fondled. Leah wanted me to rub her clit, so I naturally obliged. When she was wet, I went down on her and gave her clit a good licking, while fondling her & gently stroking her tits. After a while, she came.

There was more kissing, cuddling, fondling & stroking and she started stroking my dick. I told her I'd rather stroke it myself while fondling her, so she knelt beside me so I could stroke her body all over.

Leah is an absolutely fabulous young lady.
