The Story:

Maya works in two locations - Newbury Park in East London and near Gloucester Road tube. There are other girls who work, but Maya is one of the nicest and prettiest. Sensual massage is all that's on offer, but Maya does it well. Polish girls always give a good service in my experience. As far as I know, Maya is away at the moment, but hopefully she'll be back soon. I'll be looking out for her and will certainly visit her again. One of the best massages I've had this year. You can find the schedule on the webpage and there are photos of most of the girls. The photo of Maya is stunning... such beautiful eyes.
