The Premises:

Not the place she usually works. But nice 2 bed with functional bathroom.

The Lady:

Advertised as 26 yr old 34D girl. She is a bit older and probably not a D cup. Nonetheless I thought she was a lovely lady with a naughty look.

The Story:

Thought I would help myself to an afternoon quickie. Booked Hannah for an hour. Operator was very professional. Was greeted by a lovely smile, kiss and hug. Hannah may not be as pretty as her pictures but she does know how to take care of a man. Went to the bathroom to shower and when I was back I was properly taken care of. She gave me a lovely oral with plenty of deepthroat. She then rode me like a champ. Next on the sofa where she rode me again. Finished off missionary style with me pounding her like I haven't done in a while. She would keep you aroused with French kisses, hands in your hair, sucking on my nipples, giving that coy naughty look. Enjoyed my hour with her and would love to repeat this at some point again,
