### The Premises:

Working flat, nothing special, but adequate.

### The Lady:

Big mixed race Brazilian. Definitely not the girl in the photo.

### The Story:

Incredibly poor VFM, verging on rip off. Almost everything you would want to do with a girl was off the menu, and I am not talking about anything kinky. What's more she had no conversation at all! Her main concern was to get me off with no play. Had to make do with DIY, and left after 30 mins.
