The Premises:

The place is a nice modern flat near Wycombe Retail Park. I didn't want to risk getting clamped by parking in the retail park car park but easily found spaces on the main road.

The shower was good and needed due to getting all worked up as I managed to get stuck on the M40 for a couple of hours due to an incident. I had planned to have lunch before seeing Jade so still made it to her at my arranged time.

The Lady:

Yeah, Jade is still hot! Although Jade says she has put on a bit of weight, she still looks as fit as ever but her boobs and bum have subtly increased in volume! The home cooked meals have done good going to the right places. That mystical bum of hersjust so mesmerisingmmmm!

The Story:

The superstar that is Jade has finally made a return albeit at a different location. She has been in the country for a while but has only recently started at One2One. Doubt we will see her at her original places as she is busy with new endeavours and she is happy working with this establishment. From this experience I actually prefer this place over the venues in MK.

Booking was easy enough and handled by a nice lady. Luckily I booked the day before as when I rang up the next morning to confirm my booking I was told that Jade was completely booked up. I was moved from my original time of 3pm to give Jade a break which I didn't mind. I was informed of the exact address nearer the actual time of booking.

After getting the papers sorted and a much needed shower, I was raring to get reacquainted with the lovely Jade. I won't go in to what happened during the meet but the experience as usual was heavenly! Brazilians are known to be very affectionate and Jade is a prime example. You do have to regain a grip on reality constantly to remind yourself that you are just a client.

One subtle change is that Jade has gone Brazilian down below ...I definitely prefer this over the standard Hollywood and I did spend a bit of time down there to confirm my preferences!

Jade was on top form and was always giving me that heart melting smile. We had some really good laughs as well and it was pleasing to see her so much happier. I'm not saying that she was unhappy in our previous encounters, it was just that the levels were so much higher on this occasion.

Jade has kept her sweet tooth in check lately and not succumbed to the sweeties. Fortunately I remembered her sweet itch and bought some Haribos for hergotta make sure that bum remains perfect!

I was Jade's last punter in MK (I was to write my first review for that visit but I left it too late as she disappeared from their website) and I did think that was the last time I would see her. I am so glad to meet up with her again and in such a better place.

I am already planning my next visithmmmm
