The Lady:

Very attractive lady who looked better than her photos. Amazing figure with fantastic tits.

The Story:

After a quick shower we started with a long sensual massage. Sarah then treated me to some great covered oral which was very satisfying. She then rode me for a while before I finally finished off from behind. I then had another very good massage before more of the same which left me very satisfied.

Sarah was great company and was great fun to be with and chat to and made me feel at ease at all times. This is on top of being very attractive and having tits to die for.
