clean and tidy as always, with courtesy drink and smile.

The Lady:

Sabrina is a beautiful and bountiful full red blooded girl.

Shs is around 5.6 tall which is a major turn on, yet her well defined belly was beautiful to look at, specially when you are thrusting hehe.

Her Breasts are probably 34D with two pink cherries as a topping.

The Story:

As soon as Tina came in the room, I knew its going to be a great one. Her legs would go on forever and she had such soft skin.

She is a really good kisser, when HOD says DFK well its really DFK.

She got a really tight sweet pussy and a beautiful smile on both ends of the body.

We had some good hard fucking and I could feel the ripples on my dick after a while.. ah dont you just love that feeling?

Enough said! I cant wait to ravish her body again, its a pity she does not work regularly in London.

Look forward having Sabrina Dessert.
